Mr. Warner:

Attached is the agenda for the polygraph briefing at 2:00 p.m. today in the Security Conference Room. I thought you might like to refresh your memory.

When I met with the Committee Staff people yesterday afternoon it was indicated that they wanted to include Mr. Jack Matteson, the Chief Investigator, along with Sam Archibald and Benny Kass, the Committee Counsel. I indicated I could see no objection. This was affirmed last night by both [redacted] and Bob Bannerman personally.

I am planning to pick them up with an Agency car and bring them out myself taking them through normal visitors' procedures with visitors' badges.

Mr. Bannerman called and would like to meet with you at about 1:30 before the meeting.
